IMPACT

Educate. Inspire. Empower.

WHEN: Tuesday, October 24th, 2023

WHERE: Current at Chelsea Piers
Pier 59 | New York, NY 10011

WHY: A gala to support education in
rural Zambia

MAKE YOUR IMPACT

We believe every child deserves a quality education.

Impact Network transforms lives in rural Zambian communities through education and innovation — at a fraction of the cost of other alternatives.

Our key program, the eSchool 360, is a holistic education model centered on empowering teachers with tablets, activity-based lessons, support and weekly coaching. This model is currently running in 40+ schools and impacting over 6,000 students. We also design and implement a variety of projects that improve the overall lives of our students, including financial literacy, environmental sustainability, and life skills and sexuality.

These students are bright, capable and have incredible potential.

They deserve the same opportunities to learn as our own children have.

We invite you to join us in changing their future.

ABOUT GALA FOR IMPACT

Gala for Impact is a celebration of compassion, education, and innovation, with all proceeds dedicated to the noble cause of empowering the future generation through Impact Network, a non-profit organization transforming lives through education.

Each dollar raised during **Gala for Impact** goes directly to Impact Network, an organization on a mission to transform the educational landscape in rural Zambia.
